

The 2010 Fire & Rescue Conference promises to be another event you will not want to miss. This year's speaker, Ed Brouwer comes to us from north of the border. Mr. Brouwer is an instructor, columnist, fire warden, chaplain, and a 21 year veteran of the fire service in BC.

This years conference sessions will include multimedia presentations as well as practical demonstrations that cover important fireground topics including:

#### Calling A Mayday

Both firefighters and officers need to experience what it may be like to call a MAYDAY before it is the real thing.

#### Fire Ground Communications

Session includes, a "Communications Drill", and a "Visual Recall Drill".

#### Saving Our Own:

A Multi Media presentation zeroing in on Rapid Intervention tactics and myths.

*Ed Brouwer is the chief instructor for Canwest Fire in Osoyoos, B.C., and the training officer for West Boundary Highway Rescue. The 21-year veteran of the fire service is also a fire warden with the B.C.*

*Ministry of Forests, a Wildland Urban Interface fire suppression instructor/evaluator and a fire-service chaplain. He is a regular columnist for Firefighting In Canada's Trainers Corner.*

Accommodations available, if required.
